Through our VAXRIDE initiative, NJ TRANSIT is committed to helping New Jerseyans get vaccinated against COVID-19.

For the latest State of New Jersey vaccine information, please visit [covid19.nj.gov/vaccine](https://covid19.nj.gov/vaccine).

You can search for available vaccine appointments across New Jersey by visiting [covid19.nj.gov/pages/finder](https://covid19.nj.gov/pages/finder).

Maps and useful information about vaccine locations and the NJ TRANSIT bus, light rail, rail and Access Link service to those locations can be found on our website at [njtransit.com/vaxride](https://njtransit.com/vaxride).

**Through the generous contributions of our partner organizations, NJ TRANSIT is pleased to offer no-cost tickets for rides to and from vaccine appointments.\***

## To receive no-cost VAXRIDE tickets to and from your vaccine appointments:

### Using the NJT Mobile App:

- If you need assistance planning your trip, visit the map at [njtransit.com/vaxride](https://njtransit.com/vaxride).
- After making a vaccine appointment, open the NJ TRANSIT mobile app, tap “Buy Tickets” and select your origin and destination.
- Select up to 4 One Way Adult tickets (2 for each appointment) and tap “Proceed to Checkout”.
- Enter the promo code “VAXRIDE”, tap your payment method of choice and purchase the tickets. It should indicate no charge for the tickets.
- The tickets will appear in the “My Tickets” section of the app, and can be activated for travel for your appointments.

### By Visiting a NJ TRANSIT Customer Service Office or Calling Customer Service:

- After making a vaccine appointment, visit a NJ TRANSIT Customer Service Office at one of the locations found at [njtransit.com/contact/customer-service-locations](https://njtransit.com/contact/customer-service-locations) or call NJ TRANSIT Customer Service at (973) 275-5555.
- Register to receive up to 4 one-way tickets (2 for each appointment), which will either be issued to you in person or mailed to your home.\*
- Present your tickets to the operator or fare collector during your travel to and from your appointments.

### For Certified Access Link Customers:

- After making a vaccine appointment, certified Access Link customers using Access Link Online or the Access Link Mobile App to make reservations can email [ADAResv@njtransit.com](mailto:ADAResv@njtransit.com) with the following information for the rides to apply the “VAXRIDE” free fare to:

- 1) Client ID #
- 2) A contact number
- 3) The booking ID numbers

Upon application of the code to the four (4) rides, a confirmation email will be sent to you.

Certified Access Link customers may also participate by simply indicating they wish to participate in the VAXRIDE program when making a reservation through the Access Link phone line at (973) 491-4224.

\*While supplies last. Not valid for interstate travel or on Metro-North routes. Tickets are non-refundable and non-transferable. Ticket value limited to \$20 per ticket, with excess cost to be paid by the customer. All tickets subject to NJ TRANSIT Terms and Conditions. Expect mail delivery of tickets within 7-10 days.
